Guess

Make a donation to guess the steps and you could win a prize!

Tips for the organiser:

- Source a small prize for the lucky winner, this could be something donated by a local business.
- On the day of the walk, wear your pedometer and take a note of your steps at the end of the walk – don't let anyone see it!
- The winner will be the one who's guess is closest
- Add the money raised to your Memory Walk sponsorship total, or send it straight to us.

How to play:

1. Make a donation to have a go – we suggest £2.
2. Have a guess at how many steps it will take and write your name alongside.
3. The winning guess will be revealed after the walk.
4. If your guess is right you'll receive the prize!

Terms and conditions: To enter the prize draw you must enter your name onto the relevant section on the poster. Each entrant agrees that if they win, the prize is at the organiser's discretion.
